Signature (Guardian to sign on behalf of Junior)Date.....

Applicants & renewing members please note – This application will not be accepted without a signature.

A current EA Rod Licence is required to fish any Cove Angling Society water.

Cove AS welcomes all anglers regardless of age, sex or ability. We have good quality waters which we maintain to a high standard & have strict rules. Any member found breaching any of the rules set out in our handbook may lose their permit.

Visit us at: www.coveas.club or find us on Facebook

The following are extracts from our club rules

All Cove AS still waters are open for fishing all year round. It may be necessary to carry out general maintenance or emergency works, notice of which is normally communicated via the Club's Facebook page.

Children up to the age of 12 can fish for free, provided that they are invited by a club member who is authorised to be responsible for their welfare. The child must fish alongside the member at all times. Children are classified as juniors from the ages of 12 to 16 & can hold membership in their own right. Juniors are permitted to fish Cove AS waters unaccompanied but for safety reasons should carry a fully charged & working mobile phone or be accompanied by a responsible adult.

Senior members are allowed up to 3 guests per day. The guests must have a current EA rod licence & a valid guest ticket purchased prior to fishing. Members are responsible for their guests at all times & must make them aware of our rules. **Guest tickets cannot be obtained from the bank side.**

All vehicles must be parked in designated areas & never on the access tracks or grassed areas.

Members & guests are permitted to fish with one rod only at any time on all Cove AS waters. Barbless hooks must be used as purchased & not pinched down or otherwise altered. Maximum permitted hook size is 10. Lead lines must not be used & night fishing is not permitted on any Cove AS waters

On Cove AS waters a landing net that is completely dry before fishing is required & this must be appropriate to the size of the fish in the water being fished. Keep-nets are not permitted except for pre-booked matches. Unhooking mats are required at all waters. No food tins, boilies or nuts of any description to be taken onto Cove AS waters & all litter must be removed from the fishery.

Your handbook will contain a list of dates which have been booked for matches or visiting clubs. Additionally, one lake at Chaley Park is booked for club matches most Thursdays. On these dates the booked water will not be available for pleasure fishing so please check before travelling to the venue.

DATA PROTECTION GDPR Regulations 2018 Cove A.S. collects & stores your data in both physical & digital formats. Cove A.S. does not share this data with anybody else. Cove A.S. full privacy policy is available on our website.
